PROBLEM

Freight Rates Keeping You Up at Night?

- Ocean freight rates are skyrocketing
- Vessel space scarce
- Supply chain disruptions (strikes, canals, etc.) seem constant.
- Who can you trust?

SOLUTION

Rest Easy. We're Prepared

- You already have access to a great supply chain team:
 - We provide long term savings.
 - We're committed to keeping you informed.
 - Together, we'll overcome any storm and come out stronger.
 - Setup a free consultation with your industry's trusted resource, the IHSA.

ABOUT US

We leverage our reputation and the association's volume to negotiate, facilitate and support shipping solutions for international shippers. Our focus is on balancing competitive price while maintaining reputable service levels.

- Established in 2005 by the International Housewares Association
- A value-added service for ALL IHA members
- Management Group Volume: +30K containers annually
