PROBLEM

Major Problems Throughout the Industry:

- Supply Chain Disruptions
- Rising Material Costs
- Sustainability Concerns
- E-Commerce Competition
- Shifting Consumer Preferences and Trends
- Regulatory Compliance Challenges
- Counterfeit Products
- Economic Uncertainty
- Labor Shortages and Talent Retention

Primary Focus of MTP - Labor Shortages and Talent Retention

- Attracting and retaining skilled workers can be challenging, which may impact production, sales, growth, and the bottom line.

SOLUTION

A Specialized Recruiting Partner

A partnership with MTP brings:

- Industry expertise within the housewares space, with over 30 years of combined experience
- Access to a wide network of candidates across all aspects of the business
- Tailored service to help define the ideal candidate for your team
- Focus on the human element of the recruiting process and a positive candidate experience
- Collaboration with your HR/Recruitment team to develop a strategy around each individual need

At MTP, we believe recruiting should not be a transactional act but rather a partnership with like-minded goals.

ABOUT US

MTP is a specialized recruiting agency working exclusively within the housewares industry, helping clients find the best talent across all aspects of their business, whether it's entry-level positions or senior/executive-level roles.
